To Whom It May Concern,

I have known Mr. Kelley Elmore for the last three years. Recently I employed Elmore Engineering Services for some design modification work and I was very impressed with their product.

Mr. Elmore was very easy to work with and communication channels were many and open. The calculation package I received went above and beyond my expectations and, more importantly, quickly satisfied our client. Elmore Engineering Services efforts were also on time and on budget.

There is no doubt in my mind that, should you require Elmore Engineering Services assistance you will be satisfied with their efforts. I recommend Mr. Elmore and Elmore Engineering Services, Inc. wholeheartedly.

Sincerely,

Mr. David McInturff  
Senior Project Manager
